

LONG-DISTANCE CALLS AND FAXES

1. Personal Calls

Participants must pay for any personal long-distance calls they make while at the East-West Center. Please charge your long-distance calls (inter-island, U.S. and international) to your phone card, so that charges will not appear on the EWC billing. Phone cards may be obtained at a reasonable cost at any 7-11 store or at the University of Hawaii Bookstore.

2. Faxes

Personal faxes will be charged by the number of pages sent. Exact payment (preferably by cash) is due at the time faxes are sent, and will be collected by the assisting Secretary. Charges are as follows for U.S. and foreign transmissions:

U.S. \$2.00 per page

Foreign \$4.00 per page

NOTE: Self-funded participants are responsible for payment of all calls and faxes.
